

Grower Direct Shipments

Producers who've elected to direct ship grain sold to Protein Sources Milling are responsible for submitting copies of all scale tickets in a timely manner.

Bills of Lading will be provided upon request.

We Offer:

- Physical BOLs which contain the original ticket and two carbon copies. These are hand filled and available for physical pickup in Mapleton upon request.
- Printable BOLs with unique number sequence assignment, which are available to be emailed upon requested and printed at home.

Options for Submitting Tickets:

- Drop off physical copies in the Grain Office at the Mapleton Mill
 - Scan tickets and email to GrainOffice@proteinsources.com
 - Text a clear picture of each ticket to (507) 400-0104.
- Please include the Grower/Company Name with each message.

Once tickets are received they will be assigned to your account. Protein Sources will not issue settlements until ticket copies, and settlements from the direct shipment destination have been received for the quantity delivered.
